### CORPORATE STANDARD CATEGORY

Corporate membership category is most popular category providing members with all basic member benefits and giving equal voting rights at the Annual General Meeting and opportunity to stand for the Board of the Chamber. Corporate Category will suit companies which wish to make new contacts, to raise their profile and gain visibility by engaging in the Chamber activities. Britcham membership will help you to drive your business success.

**Corporate Small Company Category and Outside Riga membership. Small Company Category** is tailored to start-ups establishing a new business and small companies looking for growth locally or in UK or Commonwealth network to get market awareness of the company and shorten learning curve. Small company category members have all full corporate category membership benefits at a reduced membership fee. BritCham is encouraging growth! Applicable to companies up to 5 employees and up to EUR 70 000 annual turnover. **Outside Riga membership** is applicable to businesses operating more than 40 km outside Riga.

**Corporate Overseas** category is applicable to companies with no place of business in Latvia.

**Not-for-profit Membership** is available only to not-for-profit organizations and by Board invitations only.

**Individual membership** is applicable to individuals only. Individual category does not allow to promote any company associated with particular individual. Please enclose CV when applying for Individual membership.

**Student membership** is applicable to full time students. Please enclose CV when applying for Student membership.
